

Mexico Public Library Donation Policy

It's that spring cleaning time of year and we have been getting a lot of questions about donations.

We always appreciate people thinking of us, but please remember, we are not a recycling center!

Please follow the donation guidelines listed!

Thank you so much!

1. Please ask first!
We have limited space.
2. We can only take one box of books a time, again due to limited space.
3. We do not accept textbooks, encyclopedias, or outdated information (ie. old medical books).
4. Books must be in good condition to go in our collection or book sale. If they are torn, musty, stained, etc, we cannot accept them.
5. Please don't leave books when we are closed.
